# DELHI TECHNOLOGICAL UNIVERSITY

BROCHURE  
(2015-16)

Boasting overall of a legacy of "74 years of tradition of excellence in Engineering & Technology Education, Research and Innovations" Delhi College of Engineering, (initially established with the name – Delhi Polytechnic) came into existence in the year 1941 to cater to the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge.

Delhi College of Engineering has been the mother institution of a number of national projects including IITD, SPA, College of Arts and even the famous FMS. Initially affiliated to the University of Delhi, from July 2009, the DCE has become Delhi Technological University vide Delhi act 6 of 2009. As a Delhi Technological University, it has the desired autonomy to excel and shape itself as a world class Technological University.

NSS DTU is the Delhi Technological University chapter of the National Service Scheme, institutionalized under the Ministry of Youth Affairs & Sports Govt. of India.

It was inaugurated on 13th February 2013 to establish a meaningful linkage between the campus and the community. Therefore, for the national reconstruction and resurgence it was deemed fit that the students and teachers should be properly sensitized and utilized for strengthening the Indian society as a whole with particular emphasis on rural community.

## MESSAGE

The National Service Scheme- Delhi technological University (NSS-DTU) volunteers make significant contributions to Delhi Technological University (D.T.U.) through their selfless service to the community. Their motto “***Not Me , But You***” instills among them the philosophy of the organization and inspires the volunteers to recognize the needs of different components of the University community as well as the society.

The National Service Scheme- Delhi technological University (NSS-DTU) lays down the path not only for the fullest personality development but also prepares oneself to be a responsible citizen during the student life shoving aside the insular sensibilities based of caste, creed, gender, religion and region. This opportunity one may not get, once he/she gets out of the University. Therefore, University is a right place to make use of this opportunity during their studies. The consistent efforts of volunteers have helped in bringing about a positive change in society. I am sure that the nation building process initiated by National Service Scheme –Delhi Technological University (NSS-DTU) volunteers will go a long way and bring cheers to the society.

## **MESSAGE**

National Service Scheme-Delhi Technological University (NSS-DTU) provides opportunities to students in the university to develop multifaceted personality through various community services and campaigns organized by them. The biggest challenge that is faced by NSS-DTU on the campus is to integrate the different strands of thought and to bring an overall positive attitude in the student community and the society.

Community services rendered by NSS-DTU students at the university level covers adoption of villages for intensive development work, mass tree plantation programmes, blood donation camps, Swach Bharat Abhiyaan, orphanage visits, Annual Rural Camp, Yamuna Drive, Women Self-Defence workshop, Drug Awareness Campaign, etc.

The various welfare programmes conducted by NSS-DTU for the society have brought about a remarkable change in their outlook and their attitude towards life.

## MESSAGE

National Service Scheme-Delhi Technological University (NSS-DTU) volunteers are an asset to the society as well as the University. NSS-DTU provides opportunities to students to engage in social work not only within the university campus but also in the neighbouring community and different sections of society.

NSS-DTU provides a platform to any student or group of students to volunteer for the development of the society. It has been very successful in increasing student participation in a wide range of social-service activities and also encourages any student who wishes to make a meaningful contribution to society.

The aim of NSS-DTU is to develop a sense of service towards society, team spirit and a positive attitude towards life.

[Rajan Yadav]

## Our Motto

### “NOT ME, BUT YOU”

This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole.

The overall aim of NSS DTU as envisaged earlier is to give an extended dimension to the higher education system and orient the students towards community service while they are studying in the institution.

The reason for the formulation of this is the general realization that the college students have a tendency to get alienated from the village/slum masses, which constitute the majority of the population of the country. It is felt that their interaction with the common villagers and slum dwellers will expose the students to the harsh realities of poverty-stricken life and bring about a change in their social perception.

*“It's our firm belief that the greatest of joys and contentment comes from helping others and making someone smile 😊”*

## Organization

NSS-DTU is mentored and headed by our faculty advisor, Dr. Rajan Yadav, Associate Professor, Delhi School of Management. The team of volunteers is led by the executive council of five NSS volunteers.

The enthusiastic student volunteers form an integral part of the NSS team whose relentless contribution and dedication make each event successful.

## Work – that speaks for itself

NSS DTU prides in having a volunteer force of around 250 students belonging to varying engineering fields, which helps us bring to the table diverse ideas and suggestions. We undertake work based on social issues like blood donation, cleanliness of community, cloth donation, flood relief, education, health, etc. We have also been privileged with the kind support of several NGO's who have gladly come forward to help us in our noble endeavor. NSS DTU has successfully completed its philanthropic projects in the past and would continue to do so. We present before you some glimpses of our work:

### ❖ At City Forest with JalBiradari

JalBiradari members in their drawing workshop organized for the school children –“Jal-Jungle-Jeevan”.

### ❖ Orphanage Visit– A fortnight affair

NSS-DTU visits an Orphanage managed by the NGO Emmanuel Seva Group to help the kids with books, knowledge and love and care.

❖ **8-day Camp at Shikarpur village, Uttar Pradesh**

The camp was organized in collaboration with the NGO Centre for Social Responsibility and Leadership (CSRL).

Around 45 volunteers in the course of the camp undertook several activities. These activities not only exposed the students to rural life, but also made a tangible impact in the lives of the villagers.

Activities undertaken:

- A Solar library was set up.
- Swachh Bharat Abhiyan by cleaning the streets of the village.  
(Reported in the local newspaper the next day i.e. Hindustan dated 28.12.'14)
- A health camp was conducted.
- Daily interactions with villagers on sanitation, career counseling, Hindon river, etc.

### ❖ NSS Cleanathon

In the wake of recent developments in the field of cleanliness and hygiene taken up by the honorable Prime Minister Shri Narendra Modi, NSS DTU organized a Cleanliness Drive in Shahbad Village, Delhi from 11th Oct'14- 12th Oct'14.

### ❖ Clean India Campaign

NSS DTU in collaboration with IMAGINDIA institute organised “Come, Clean India with Me” on 10th April 2013.

It was an awareness campaign promoting cleanliness in the campus which was covered by Washington Post Daily.

### ❖ **Tree Plantation Drive**

### ❖ **AROGYA SANJEEVANI** - Yoga Session by NSS-DTU

NSS-DTU in collaboration with Bharatiya Yog Sansthan organized a yoga cum meditation session, "Arogya Sanjeevani- A dawn of wellness" on 17 April 2015 at DTU Sports Complex. Basic aasanas and pranayamas were taught to students of our college.

Students were encouraged to adopt a healthy lifestyle.

### ❖ **Women Self-Defense Workshop**

Organized in association with Prachi Educational Society and Delhi Police on 3rd November 2014. Highlights included demonstration of self-defense to help women boost their confidence in less-than-ideal situations.

The students were provided information about safety helpline numbers and mobile applications, dos and don'ts, etc.

## ❖ YamunaBachaoAndolan

"YAMUNA CLEANLINESS DRIVE" was conducted with the motto-

**"AAO MILKAR YAMUNA BACHAYE, DELHI KO BEHTAR BANAYE"**

at Yamuna Biodiversity Park, Ram Ghat, Wazirabad on 14th April, 2015.

It was a two-fold campaign that involved with cleaning the Yamuna River and organizing a street play to spread awareness about its cleanliness.

## ❖ “Rehmat”- The Donation Drives

*“We make a living by what we get, but we make a life by what we give.”*

- Winston Churchill

### ✚ Cloth Donation Drive

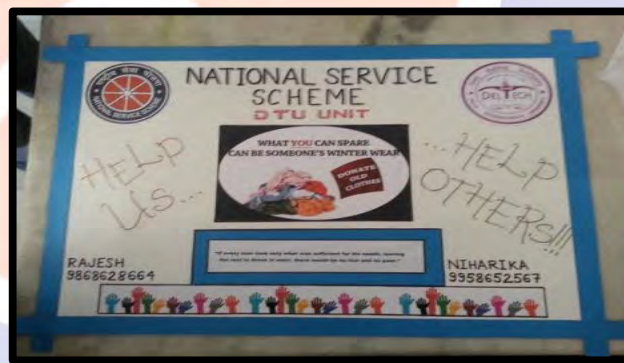

The collected clothes were donated to the NGO- Centre for Social Responsibility and Leadership (CSRL) for distribution in Uttarakhand.

### ✚ Blanket Donation Drive

The collected blankets were donated to the people of Shikarpur village and more than fifty blankets were donated to an NGO, ARADHYA located in North West Delhi's Bawana village during the camp organized by NSS.

### ✚ Book Donation Drive

More than a hundred books collected over four days. The collected books and stationery items were given to orphanage kids, where we visited afterwards.
